# Highlights

## Trendy colourful design

Pick your trendy colour; canary yellow, jelly pink, ultraviolet purple, absinthe green or electric blue to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

## User friendly protective cap

Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

## Easy opening experience

The markings and perforations on the packaging show you the best way to open your packaging and get quick access to your USB stick without hassle.

## 16 GB storage capacity

A useful 16 GB gives you the capacity to swap and share much larger or more files via the USB port of your PC or laptop.

## Fast data transfer

High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

## Activity indicator

An appealing glow shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

## Easy-to-use software included

A complete software suite is included and will run automatically from the USB flash drive, giving you access to useful features such as Password protection, File synchronisation, Data compression, USB lost & found and USB information. Additionally, it comes with a 30-day trial for Portable Microsoft Outlook Express, Favourites synchronisation and No-trace Internet browsing.

## Password protection

Due to password protection including 256-bit AES encryption, your valuable personal data can be protected from unauthorised access by simply using a password.
